Enjoy the slopes of two terrific Canadian ski resorts in one trip!! We will arrive at Sutton Place Hotel in Revelstoke in plenty of time to cheer for your favorite Super Bowl team on Sunday evening. Monday through Wednesday enjoy the largest vertical drop in North America with 5620 vertical feet of skiing or boarding on 3121 acres – 48% advanced, 45% intermediate, and 7% beginner. Beginners will enjoy top to bottom skiing on the 9.5 mile green circle run called The Last Spike. Free mountain tours (intermediates and above) are offered daily at 12:30pm starting at trail map sign next to the Mackenzie Outpost at the top of the Revelation Gondola. Plenty of gladed skiing and groomed terrain for all, but be sure to take it easy as only 2 top to bottom runs = over 10,000 vertical feet Top elevation is 7300 ft., base 1680 ft. Heli-skiing and Cat-skiing options are available, as well as tandem paragliding, dogsledding, and snowshoe tours. Sutton Place has its own shuttle service (approx. 10 min.) to the town of Revelstoke for shopping or dining.

Luggage will be stored on Wednesday morning with changing rooms available after skiing before we board our bus to SilverStar Resort where we will stay at the Snowbird Lodge for the rest of the week. SilverStar has 3065 acres of skiable terrain, 10% expert, 35% advanced, 40% intermediate, and 15% beginner. We will be staying right in the village, where the Main Street is snow covered with shops and restaurants on each side of the street. Ski from the Snowbird Lodge to the lifts. You can ski on 3 different sides of the village which is located mid-mountain at about 5279 ft. Top is 6283 ft., bottom of the Putnam Creek lift is 3789 ft. Mountain Host tours depart from the large map board near the ski school in the Village at 10am daily. One of our evenings in SilverStar will include our choice of snowshoe or Nordic ski party. Other activities available in SilverStar include Nordic skiing, snowshoeing, pinhead bowling, fat biking, tubing, and ice skating. Wrap-up party Saturday evening before our Sunday departure for home.
